**Students required to remain on campus*

***Student attendance required*

****Students must depart campus*

As an independent school that welcomes students of all faiths and backgrounds, we value and respect the diverse beliefs and traditions of our community. We expect all students to participate in on-campus school events, as these experiences are an important part of student life and community building.

We recognize that some school events may occasionally coincide with religious holidays or observances. If your family anticipates a conflict due to a religious commitment, we encourage you to communicate with us as early as possible. We are committed to working collaboratively with families to understand their needs while balancing the educational and community goals of the school.

Students who miss school days to observe a religious holiday will be excused. Families should notify the CCE office in advance when possible, and students are responsible for making arrangements with their teachers to make up any missed coursework or assessments.
